

Group Leaders: Lead-App

Groups Leaders - There is a mobile app for CCB (Church Community Builder) called Lead-App that provides access to your groups with their contact and group scheduling information.

Install:

Be sure you have location turned on for your device when you download, as it is required for the initial setup.

<https://www.churchcommunitybuilder.com/lead-app>

LEAD.

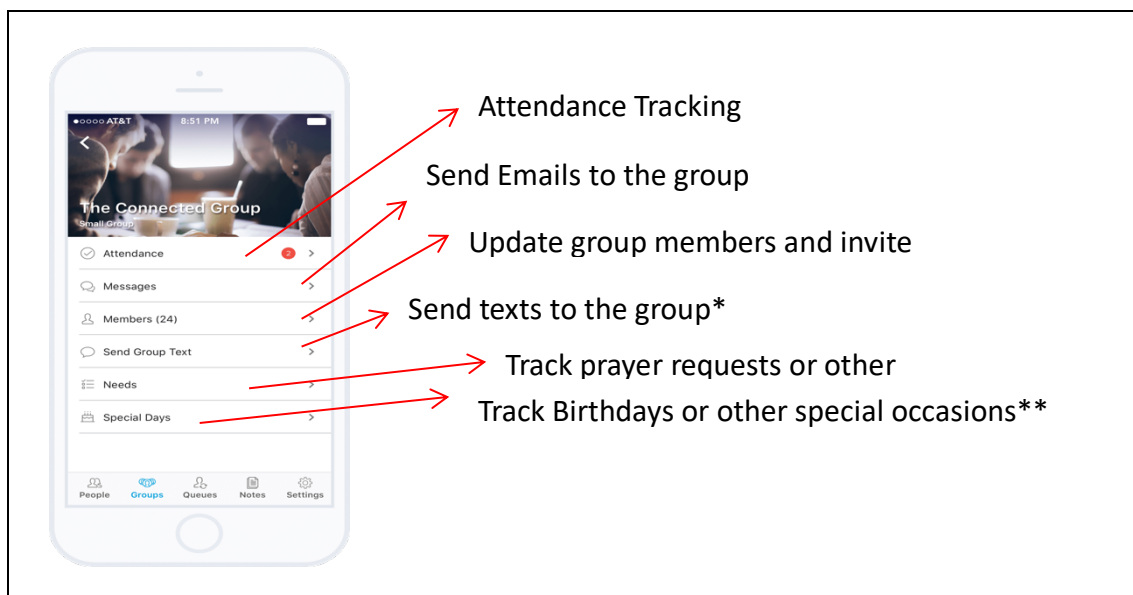

Know your people.
Wherever they are.

[Download Now](#)

* The LEAD app is only available for current customers.

1. Click on download now.
2. Choose Apple or Google depending on your device.
3. Choose Install.
4. Follow the prompts, and login information is your CCB username and password.

From the Lead App, you can check contact information, send messages, and review your groups as you would in the website.

*only members who have text messaging enabled in their CCB profile will receive these

**member birthdays or special occasions will only appear here if they are entered into their CCB profile
